

COVER UP

BY BROD BAGERT

Cough-cough! Sneeze-sneeze!
It's worse than when you cut the cheese.
One may stink a little, but
the other spreads disease.

Cover your mouth with a handkerchief.
Cover your nose with your sleeve.
Keep those nasty germs to yourself,
or else you'll have to leave.

Cough-cough! Sneeze-sneeze!
It's worse than when you cut the cheese.
One may stink a little, but...
THE OTHER SPREADS DISEASE!
