

DEAR CORONA VIRUS

By Brod Bagert

Do you sometimes miss your mother when
you're out there on the roam?
Do you ever get so lonely that
you want to go back home?

Do you really have to work so hard
at making people sad?
Do you think it's good to make us sick,
or do you know it's bad?

Please, Corona virus!
Please, for goodness sake!
Don't you think it's time for you
to take a little break?

Do you have to mess up everything?
Do you have to be so naughty?
Tomorrow is my birthday.
I was going to have a party.
