

# MAD MEDICINE

by Brod Bagert

It's the dawn of another quarantine day,  
and I find there is something I'm wanting to say,  
'cause I'm starting to see ... there's this feeling in me...  
I'm feeling a little ... mad?

Yes, mad.  
Really-really mad.  
Really-really-really-really  
really-really mad.

Mad! Mad! Mad! Mad!  
**Mad! Mad! Mad!**

So there, I've said it.  
It may not be right,  
it bestows no delight,  
it's a tad impolite,  
but now, somehow...  
I feel better.
