

Quarantine Blues

BY BROD BAGERT

**My mom's so bored she's turning green,
my sister's acting really mean,
I'm stuck here somewhere in between—
LIVING LIFE IN QUARANTINE!**

**My teacher on computer screen,
and everyday we learn routines
for staying safe with good hygiene
WHEN EVERYONE'S IN QUARANTINE!**

**My hands have never been so clean,
I wish I had a time machine,
I'd jump ahead to Halloween
AND GET AWAY FROM QUARANTINE!**

**Please someone make a new vaccine,
a kind the world has never seen,
AND GET ME OUT OF QUARANTINE!
PLEASE! NOW! THANK YOU!**
